

COVID-19 Dress Code Addendum

All McKinney ISD students will be required to wear a face-covering on the bus. Students ages ten years and older are required to wear face-coverings at school in compliance with the executive order of the Governor of Texas. The district prohibits face coverings that are controversial, lewd, offensive, advertises, or depicts tobacco products, alcoholic beverages, drugs, sexually related topics, or anything that represents gang/secret society membership. For the health and safety of staff, students, and visitors, McKinney ISD may not offer in-person instruction to any student who continually refuses or fails to comply with the District's health and safety procedures, including the face-covering requirements. Instead, these students may be required to receive instruction online.
