Happy Summer Faubion Family! I hope you all are enjoying some time off and getting lots of opportunities to work, play, and relax! The purpose of today's letter is to remind you that the STAAR scores are now available in the Home Access Center (HAC). To see your child's test scores, log into HAC, then click on Grades>Test Scores and you can see them there. The state also makes the scores available on a state-maintained website. To get there, log into HAC, then click on Grades>Test Scores, and scroll down to find the STAAR test from this past school year's grade level and you'll see a "Student Portal Unique Access Code". Once you have the unique code, visit <http://www.texasassessment.com/students> and enter the unique access code from HAC and your child's birthday.

Enter access code and student date of birth:

You will then see all of your child's scores going all the way back to the first STAAR test taken. The four categories are "Did Not Meet", "Approaches Grade Level", "Meets Grade Level", and "Masters Grade Level" labels. See examples below:

(Did Not Pass)

(Passed)

(Passed)

(Passed)

Anything other than "Did Not Meet Grade Level" means your child passed the test. If you can't find your child's information or need assistance, please let me know. If you need your HAC code, you can contact our Office Manager, Mrs. Sylvia Blair at SBlair@mckinneyisd.net. You must contact us from a phone number or email address currently listed in our Student Information System.

Your Partner in Education,
Dr. Jimmy Bowser
Principal, Faubion MS
